

Highfield Middle School

GDPR Privacy Notice Summary Report

Date: 16/08/2025

Data Protection Officer: Helen Pye

01661833922

Introduction

Under the General Data Protection Regulations (GDPR), individuals have a right to be informed about how the school uses any personal data that we hold about them. This report provides information on the kinds of personal data we hold as a school and why and how we might use it.

Schools use a variety of personal data as part of their work and we take great care to ensure that this information is kept safe and secure. Personal data includes things like names, addresses and age, information that we need in order to comply with our statutory role in educating pupils.

Most of this data is essential and does not require your consent to use it. Some personal data is not essential and for that, depending on age, we require the consent of either the pupil or parent. An example of the kind of data that needs consent would be using pupil photographs on the school website.

In this GDPR Privacy Notice summary report, you will find a complete list of all the systems the school uses which hold personal data. The report also contains additional information such as what personal data items are held, the legal basis for doing this, along with a description of the system, why the school processes the data and who it is shared with.

If you have any queries about this document or any other issue relating to personal data, please contact the school Data Protection Officer, whose name is on the front of the pack.

Systems included in this report

System Name	Description	Special Category
Academy BPS	Budget Planning Software (BPS) for budget setting and monitoring. Part of the Core Financial Support Package provided by Schools Financial Services.	
Accelerated Reader	Accelerated Reader gives teachers the information they need to monitor students' reading practice and make informed decisions to guide their future learning.

Social media sites e.g. Twitter, Facebook	Social Media tool used to inform parents about events in school and celebrate children's achievement.	
Spelling Frame	Spellingframe includes all the words - both statutory and the example words - from the National Curriculum for Spelling for Year 1 to Year 6. Choose a spelling rule and each word is read aloud and provided within a sentence for context. Students can choose to practise a set of words, take a test, or play a game with those words (games are available to registered users only). If they choose to practise they will see and hear the word broken down into syllables (phonemes for the Y1 words) and will then be given a series of activities to help them to memorise the spelling. The activities develop increasing independence. If a student then spells the word correctly they move on to the next word. If they make a mistake they repeat the process to help them to learn the word. If a student chooses to be tested they receive instant feedback. If they make a mistake they are shown the correct spelling and given a series of activities to help them to remember. Spellingframe should work on all devices. If you have any difficulties accessing the activities please get in touch via the contact page. With a school account every student is provided with their own unique login. Teachers can then schedule custom word lists and	

	monitor the test scores of their students. Teachers can schedule words for their whole class or they can set different sets of words for specified groups of students or individual students. There is a guide to setting up a school account here. An individual account will allow one student to log in, play all the games, and will record their scores each time they take a test. It will soon be possible to set students activities with their own personalised list of 'tricky' words - those that they have spelled incorrectly in previous tests. We are still working on creating lots of new games and adding hundreds of new words and features.	
Spelling Shed	The Spelling Shed - proudly powered by EdShed - is a spelling platform designed by a team of teachers. It is built with students, teachers and parents in mind and aims to make spelling fun for students as well as simple for adults to manage.	
Sports Leader UK	Awarding body for L3 award in Sport leadership

Testbase	This is an online resource provided by Doublestruck which enables children to prepare for National SAT examinations. Doublestruck is an Educational Technology company that is part of the AQA family. It specialises in technology that addresses the needs of teachers in formative assessment and reporting.	yes
The Headteacher Report	Here at The Headteacher's Report, our entire existence revolves around creating the most dynamic, professional and easy to understand reports for our Heads, CEOs and their Governors and trustees alike. We understand how many leadership hours it typically takes to produce a Headteacher's Report from scratch. With this in mind, we set ourselves the challenge of making this process quicker, simpler and smarter, whilst producing beautifully presented reports. We live and breathe education, no problem is too big to solve and we chuck in a big slice of our family orientated small-business passion into every single report. We help make reporting to Governors and trustees that little bit easier so that you don't have to burn the midnight oil trying to finish your report.	
The National College	A provider of online training for staff & governors	

Thrive	Social and Emotional Screening Programme	yes
Tootoot	tootoot gives students a safe voice to be able to report incidents of bullying, cyberbullying, racism, extremism, radicalisation, sexism, mental health and self-harm directly to their place of learning. Tootoot gives students an alternative way to disclose their concerns when they are unable to do so face-to-face.	
TrustGov	A governance MIS	
Twinkl	We're here to 'help those who teach'. It's what brings us to work every day. We're proud to create educational resources that can be used at each step of a child's learning journey. Our teacher-created resources provide entire schemes of work, lesson planning and assessments right through to online educational games, augmented reality and so much more. We have over 525,000 resources and new content gets added every day. You'll find we've normally got what you need before you even know you want it.

Why is it being processed?	To support the national effort in the fight against Covid-19. Under instruction from the DfE and PHE.
Who is data shared with?	Public Health England

System used: CPOMS	
Owner	Highfield Middle School
Description	CPOMS - Safeguarding and Child Protection Software for Schools Secure online monitoring of child protection, safeguarding and wider student pastoral welfare for schools. CPOMS is software application for monitoring child protection, safeguarding and a whole range of pastoral and welfare issues. Working alongside a school's existing safeguarding processes, CPOMS is an intuitive system to help with the management and recording of child protection, behavioural issues, bullying, special educational needs, domestic issues and much much more. Using CPOMS, schools can ensure that students are safe and fully supported, whilst school staff can focus on teaching and providing support, instead of administration.
Personal Data Items	<p>Pupil</p> <ul style="list-style-type: none"> • Name • Class • Details of incident • Admission Date • DOB • SEN, with status • Medical Conditions • UPN • Pupil Premium • Religion • EAL • LAC • Year Group • Ethnicity • First Language • Pregnancy <p>Main contact</p> <ul style="list-style-type: none"> • Name • Telephone Number

System used: Debbie Judd HR	
Owner	Highfield Middle School
Description	<p>Our aim is to provide outstanding HR advice and support to schools and academies, which will then able schools and academies to focus on providing high standards of education to their pupils and students. We are a based in the North East of England and we offer HR advice and support to education establishments local to us and remotely to those further field. Whatever the size of your organisation, we can offer flexible HR advice and support through our different packages. We are well aware of budget restraints across the education and other sectors and will always endeavour to keep our costs low and ensure that we provide value for money, supporting clients to manage their budgets efficiently. In our experience, we have found that the vast majority of HR issues can be resolved informally when dealt with appropriately at the earliest opportunity and strive to work with our clients on this basis. Our aim is to support you through initial concerns, providing professional, appropriate, proactive support in order to avoid a lengthy, costly HR process. We pride ourselves on our caring, knowledgeable and professional approach and will deliver legislative and practical HR support, at the highest standard, whilst adopting a common sense approach.</p>

Why is it being processed?	Unnamed photos of pupils and their work are used on the site
Who is data shared with?	Information shared with parents

System used: Spelling Frame	
Owner	Highfield Middle School
Description	Spellingframe includes all the words - both statutory and the example words - from the National Curriculum for Spelling for Year 1 to Year 6. Choose a spelling rule and each word is read aloud and provided within a sentence for context. Students can choose to practise a set of words, take a test, or play a game with those words (games are available to registered users only). If they choose to practise they will see and hear the word broken down into syllables (phonemes for the Y1 words) and will then be

	<p>given a series of activities to help them to memorise the spelling. The activities develop increasing independence. If a student then spells the word correctly they move on to the next word. If they make a mistake they repeat the process to help them to learn the word. If a student chooses to be tested they receive instant feedback. If they make a mistake they are shown the correct spelling and given a series of activities to help them to remember. Spellingframe should work on all devices. If you have any difficulties accessing the activities please get in touch via the contact page. With a school account every student is provided with their own unique login. Teachers can then schedule custom word lists and monitor the test scores of their students. Teachers can schedule words for their whole class or they can set different sets of words for specified groups of students or individual students. There is a guide to setting up a school account here. An individual account will allow one student to log in, play all the games, and will record their scores each time they take a test. It will soon be possible to set students activities with their own personalised list of 'tricky' words - those that they have spelled incorrectly in previous tests. We are still working on creating lots of new games and adding hundreds of new words and features.</p>

System used: The Headteacher Report	
Owner	Highfield Middle School
Description	Here at The Headteacher's Report, our entire existence revolves around creating the most dynamic, professional and easy to understand reports for our Heads, CEOs and their Governors and trustees alike. We understand how many leadership hours it typically takes to produce a Headteacher's Report from scratch. With this in mind, we set ourselves the challenge of making this process quicker, simpler and smarter, whilst producing beautifully presented reports. We live and breathe education, no problem is too big to solve and we chuck in a big slice of our family orientated small-business passion into every single report. We help make reporting to Governors and trustees that little bit easier so that you don't have to burn the midnight oil trying to finish your report.
